

the definition may be regarded as producers. When the definition of producer requires the shipment of milk to a handler or a plant as well as health authority approval, only those persons having such approval and whose milk was received by a handler or at a plant may be regarded as producers.

(2) When the order requires shipment to a handler or to a plant, without regard to health authority approval, a person may not be regarded as a producer, except as provided in paragraph (b)(6) of this section, unless his name appears on the handler's producer records.

(3) In the case of a producer that is other than an individual, the business unit shall be regarded as the producer.

(4) No person may be included in the record more than once although he may operate more than one farm, hold more than one health authority approval, or appear on more than one handler's producer records.

(5) In the event the health authority records are not available, are inaccurate, or are incomplete, the appearance of the producer's name on a handler's records as an approved producer shall be prima facie evidence of health authority approval.

(6) In the event any handler refuses or fails to make his records available to the referendum agent, a certification signed by the producer shall be regarded by the referendum agent as prima facie evidence that such person is eligible to vote.

(c) Verify the information supplied by each cooperative association which wishes to vote on behalf of producers, as follows:

(1) Examine the records of the cooperative association for the purpose of ascertaining whether each producer claimed by the cooperative association is a member of, stockholder in, or under contract with the cooperative association.

(2) Identify the persons ascertained to be members of, stockholders in, or under contract with a cooperative association which wishes to vote on behalf of its producers with the names of producers which appear on the record compiled pursuant to paragraph (a) of this section.

(3) In determining whether a cooperative association may vote on behalf of a producer the following criteria shall be used:

(i) The cooperative association may vote for each producer who is a member of, stockholder in, or under contract with such cooperative association on the date of the order directing that the referendum be conducted.

(ii) The cooperative association may cast only one ballot for all such producers.

(iii) Whenever more than one cooperative association claims the right to vote for a producer only the cooperative association which furnished evidence satisfactory to the referendum agent that such association was in fact marketing the milk of the producer on the date of the referendum order may vote for such producer.

§ 900.306 Notice of the referendum.

(a) The referendum agent shall at least 5 days prior to the final date for balloting:

(2) Give public notice of the referendum:

(i) By furnishing press releases and other information to available media of public information (including but not limited to press, radio, and television facilities) serving the area, announcing the time within which ballots must be completed and mailed to and received by the referendum agent, eligibility requirements, where additional information may be procured, and other pertinent information; and

§ 900.308 Tabulation of ballots.

(a) *General.* The referendum agent shall verify the information supplied with each ballot. If he ascertains that the person who cast the ballot was eligible to do so, that the ballot is complete and was mailed and received within the prescribed time, the ballot shall be eligible to be counted. If the referendum agent ascertains that the person who cast the ballot was not eligible to do so, or if the producer who cast the ballot was a member of, stockholder in, or under contract with a co-operative association which cast a valid ballot, or if the ballot is not completed or cast in accordance with instructions, or if the ballot was not mailed to or received by the referendum agent within the prescribed time, the ballot shall be marked "disqualified" with a notation on the ballot as to the reason for the disqualification. The total number of ballots cast, including the disqualified ballots, shall be ascertained. The number of eligible ballots cast approving and the number of eligible ballots cast disapproving the issuance of the order shall also be ascertained. The ballots marked "disqualified" shall not be considered as approving or disapproving the issuance of the order, and the persons who cast such ballots shall not be regarded as participating in the referendum.

(b) *Individual-handler pool provisions.* Whenever separate approval of the pooling provisions of the order is required by section 608c(5)(B)(i) of the act, any ballot which approves the issuance of the order and disapproves the pooling provisions, or approves the pooling provisions and disapproves the issuance of the order, shall be disqualified; and the referendum agent shall mark the ballot accordingly.

(c) *Record of results of the referendum.* The referendum agent shall notify the Administrator of the number of eligible ballots cast, the count of the votes, the number of disqualified ballots and the number of producers who were eligible to cast ballots. The referendum agent shall seal the ballots, including those marked "disqualified", the list of eligible voters and tabulation of bal-

(d) *Announcement of the results of the referendum.* Announcement of the results of the referendum will be made only at the direction of the Secretary. The referendum agent, or others who assist in the referendum, shall not disclose the results of the referendum or the total number of ballots cast.

§ 900.309 Confidential information.

The ballots cast, the identity of any person who voted, or the manner in which any person voted and all information furnished to, compiled by, or in the possession of the referendum agent, shall be regarded as confidential.

§ 900.310 Supplementary instructions.

§ 900.311 Submittals or requests.

Interested persons may secure information or make submittals or requests to the Administrator with respect to the provisions contained in this subpart.
